UNIQUE SPRING SHOWER

Mrs. Noble Ripley and Miss Dorothy Hobbs entertained last Saturday afternoon at the Hobbs home on South Central Avenue, complimenting Miss Evangeline Huntley, whose engagement to Sergeant Seymour Smith was announced some time ago.

Orange blossoms, so suggestive of the wedding which will occur in June, and other flowers so plentiful just now, with beautiful greenery, were attractively arranged throughout the home.

In the enjoyable game of "Hearts," Miss Gladys Justema won the prize for highest score, which was a pair of beautiful Colonial candlesticks. Miss Justema very graciously presented them to the honoree. The guests were then invited into another room, which had all the appearance of a pretty little conservatory—boughs of the feathery white acacia, potted shrubbery, and flowers being used to carry out the effect. From the electrolier was suspended a sprinkling can, and from the spout streamed a shower of tiny ribbons, the ends being hidden in the corner beneath the greenery, each attached to a gift, daintily arranged in white tissue paper and ribbons. All chairs had been removed from this room of mystery, and cushions were placed for the merry guests to be seated upon. Miss Huntley was then admitted, and the surprise and delight she displayed as she pulled each ribbon and unwrapped the packages, and her exclamations of wonder and joy, made the happiness of all complete. Delicious refreshments were served, and the happy participants departed with the memory of an extremely pretty and delightful occasion. In attendance were: The honoree, the Misses Lila and Leola Webster, Grace and Alice Grey Beach, Mary Logan, Lila Shea, Cecilia Lyons, Catherine Phillips, Ernestine Lyons, Margaret Boucher, Esther Shremp, Gladys Justema, Carrie Stone, Wanita Emery, Kathleen Dodge, Virginia Huntley, Charlotte Castle, Mmes. John Huntley, John Logan, Andrew Stephenson, J. Herbert Smith, Charles Barker, Delos Smith, Joseph Webster, Donald Bennett, John Hobbs and the two gracious hostesses.

NO AFTERNOON DANCES IN HIGH SCHOOL GYM

Big Crowd at P.-T. A. Meeting at High School

There was a large attendance at the meeting of the High School P.-T. A. at the school auditorium last Monday. The fact that social activities in the high school were to be the special theme of discussion, including dancing, brought out a large gathering.

Mrs. Wernette, the president of the association, called the meeting to order and presided. In the absence of the secretary, Mrs. Oliver, Mrs. Minette Sherman acted as secretary, pro tem. The report of the treasurer showed total receipts of $23.28 and a balance in the treasury April 1st of $15.38.

Mr. George F. Sawyer was called upon for a report of the Employment Bureau for High School students, and he told of what it had accomplished last year and of its efficiency this year up to the time the influenza epidemic broke out.

Prof. Harry Howe, Miss Dorothy Poppy, Mrs. Harry Duey and Mrs. G. D. Roach were then named as a nominatng committee to prepare a slate of officers to be voted on at the next meeting.

Ms. A. A. Barton announced a spring festival under the direction of Mrs. John Robert White, to be held the latter part of May at the home of Mrs. Ella Richardson for the purpose of providing funds for all the P.-T. A. work of the city.

Superintendent Richardson D. White then presented the proposition before the Greater Gendale Association to bond the city to provide a civic center and park as a Memorial to soldiers living and dead who served in camps and at the front in the recent war.

He outlined the plan for an auditorium seating 2500 persons, for a gymnasium, indoor basketball, tennis and handball courts, baseball field, swimming pool, etc. He stated that the entire cost had been estimated at $200,000. He also stated that the total annual expense of up-keep had been figured at $8,000 which, with interest and bond requirements would necessitate taxes that would amount to about 25c per $100 of valuation.

Dr. Jessie Russell, President of the State Federation of Parent-Teacher Associations, spoke briefly, saying that the passage by the State Legislature of the bill providing elementary school funds was assured, but that the bill in regard to the inheritance tax law which provided a fund for teachers' retirement would undoubtedly be killed.

Mrs. G. D. Roach presented the report of the committee of five appointed to investigate the public sentiment and the practicability of instituting afternoon entertainments for high school students in the gymnasium at which dancing would be alternated with other forms of amusement.

When the meeting was thrown open to discussion, about the same diversity which had marked the views of the committee was expressed by those present who responded to the invitation to indicate their opinions.

Explanatory speeches were made by Prof. George U. Moyse and Prof. Harry Howe, and brief contributions were made by others, but when the vote was taken, which was not till about 11 p. m,. the proposition to have dancing parties in the high school gymnasium in the afternoon was defeated by a heavy vote.

Mrs. Dr. E. F Tholen, of Brand and Garfield, is confined to her bed with an attack of the influenza

MARTHA LILLIAN BRADSHAW

On Sunday evening, April 6th, at 10:20 o'clck, Martha Lillian Bradshaw passed away of influenza-pneumonia, at the home of her parents, Mr. and Hrs. A. E. Bradshaw, 1511 S. Glendale Avenue. She was 19 years, 8 months, 27 days old.

Her death was quite a shock to her many friends, as she passed away with only a short week's sickness, attending school on Monday, March 31st.

Martha Lillian Bradshaw was born in Mesa City, Arizona, on the tenth day of July, eighteen hundred and ninety-nine. When she was about three months old her parents moved to Los Angeles, where they resided until July, 1916, at which time they moved to Tropico and made their home here. She attended the Los Angeles schools, graduating from the Los Angeles High School in 1917. She then became a student at the L. A. Normal, and attended regularly until a few months ago, when she took up a business course at the Glendale High Schol.

She was a very charming girl, and since coming to Tropico she had won for herself a large number of friends who will greatly miss her.

Funeral services were held Tuesday afternoon at 4:00 o'clock at the parlors of the L. G. Scovern Co., Rev. B. C. Cory officiating. School chums of the deceased acted as pall bearers. They were: Lila Shea, Flora Webb, Marjorie Nye, Cecilia Lyon, Lila Webster and Lucile Negley.

Besides her parents, she is mourned by a younger sister, Erma Bradshaw.

Interment was made in beautful Forest Lawn Memorial Park, the L. G. Scovern Company being in charge.

Dr. Jessie A. Russell has returned from Sacramento.

PROCEEDINGS OF BOARD OF TRUSTEES

Regular meeting of the Board of Trustees of the City of Glendale April 10th, 1919. The Board assembled at 8:10 p. m. Present at roll call Trustees Jackson, Muhleman, Henry, Woodberry. Absent, Trustee Shaw. Minutes of the last regular meeting were read and correction ordered to be made on page 119 inserting words after bids for wire "and material. The minutes were approved.

Rev. McConnell addressed the Board in reference to the proposed agreement between the City and residents of West Broadway in reference to supplying that section with water. He called attention to certain features of the arrangement proposed requesting that some changes be made. On motion of Trustee Henry, it was ordered that the contract be modified for practicability so as to meet the objections of the water owners and consumers of that section.

The hearing of the application of Mr. C. A. Chambers of the Burbank Transfer Company, being set for this date, was brought up at this time. Mr. Chambers appeared before the Board in reference to his application for permit to operate motor trucks over the streets of the City of Glendale. On motion of Trustee Jackson, the application was granted.

Mr. W. F. Tower appeared before the Board requesting information as to what is being done in regard to the acquirement by the City of a Municipal Gas Plant. Chairman stated in reply that the matter had been considered informally by the Trustees, but that on account of the high prices of material and the fact that there are no funds provided in the fiscal year's budget for the expenditure required for preliminary work, further action would probably be deferred until the end of the present fiscal year, June 30th, 1919.

Mr. A. M. Morton presented an application for permission to establish a gas supply station on the south side of Broadway between Belmont and Cedar Streets. On motion of Trustee Henry the application was granted.

A communication was read from Mr. C. F. Hess calling attention to the condition of the sidewalk in front of his property, 816 South Glendale Avenue. The matter was referred to the City Manager to investigate and report.

Communication was read from Mr. C. L. Thedaker, agent of the S. P. Railway Co. in Glendale, enclosing statement and asking to be advised as to the status of the bill of $779.97, against the former city of Tropico for removal and remodeling the Tropico Tower. Communication was ordered to be filed, the matter having been referred to the City Attorney.

A communication was read from the City Tax Collector accompanied by a tax bill for the year 1918 covering Lot 24, Block 1, Ayers Tract, assessed to Robert L. Milligan. The communication stated that Mr. Milligan claims exemption on account of services in the Civil War, and had filed recently the required affidavit in connection with this claim. On motion, the application for exemption was granted.

A communication was read from Mrs. Ella I. Bradley and eighteen other residents and property holders on West Oak Street between Pacific Avenue and Cherry Street. The communication called attention to the condition of vacant lots and parkways in that section requesting that the Street Department give that part of the City more attention, also that conditions are not only unsightly but dangerous. The matter was referred

A petition was presented signed by Chas. Casselman and twenty-five other owners of property fronting on West Elk Street, between Central Avenue and San Fernando Road, asking that the Board start proceedings for the improvement of said street, including curbs and paving of roadway as provided in Specifications No. 21. City Manager stated that while the petition did not represent the majority of the frontage in the district it was signed by practically all of the residents of the street proposed to be improved. Request of the petitioners was granted and it was ordered that proceedings be initiated for the improvement as desired.

On motion of Trustee Henry, it was ordered that proceedings be started for the improvement of Garfield Avenue between Brand Boulevard and Glendale Avenue under Specifications No. 21.

At this time it was ordered that bids be opened, read and publicly declared for supplies of Public Service Department.

On motion of Trustee Muhleman, bids were referred to Engineer of Public Service Department to report. The Engineer of the Public Service Department recommended acceptance of the lowest bid, being that of the Fox-Woodsum Lumber Co. Recommendation was adopted by the Board and it was ordered that the contract be entered into in accordance with the same.

Report of Tax Collector was presented showing collections during the past week amount to $2201.96, making a total to date of $63,177.63. Report ordered to be filed.

City Clerk reported having received from the Southern California Edison Company a statement of gross receipts of that company for the year ending February 28th, 1919, total of whch was shown to be $16,427.10 in the territory covered by the franchise granted to that company by ordinance No. 56 of the City of Tropico. In accordance with the terms of the franchise 2% of this amount, namely $328.54 has been turned over to the City Treasurer.

City Manager recommended that the City Engineer be instructed to prepare a grade for the Sycamore Canyon Road. Referred to the Committee of the Whole.

City Manager reported in regard to petition presented to this Board by residents of Oak Street that he had looked over the situation and finds that considerable work has been done by the City in cleaning up this street, which is in as good condition as any dirt road in the City.

City Manager recommended transfer of the sum of $500.00 from the Sycamore Canyon Road Opening and Widening fund to the General Service fund. The transfer was ordered to be made.

City Manager stated that the Traffic officer was in need of a new motorcycle and that the best terms offered for supplying the same in exchange for the present one used, was the bid of the Pacific Motor Supply Company, who offered a 1919 model Big Valve Indian Powerplus Motorcycle, fully equipped, at the total price of $480.00, allowing the sum of $200.00 for the old motorcycle, making a total net price to the City of $280.00. It was ordered that the offer be accepted.

City attorney reported that he had drawn up an amendment of the License Ordinance covering laundry, laundry delivery and collections, which in his opinion would stand the test of the courts. City Attorney was directed to draw the amendment as recommended by him of the License Ordinance.

Communication was read from the City Attorney calling attention to the fact that final judgment had not been entered in the following opening and widening proceedings:

1st. Opening and widening of Seventh Street.

2nd. Opening and widening of Orange Grove Avenue.

3rd. Opening and widening of Eighth Street.

4th. Opening and widening of Adams Street.

Communication stated that he had taken these matters up with the City Manager, and that arrangements had been made to proceed to completion.

City Attorney stated that he had had various conferences with the Attorney of the Forest Grove Land Co., in regard to pending litigation and the interest of the City of Glendale and other water owners, and the interest of the land company in Verdugo Canyon and that the attorney for the land company had finally made certain propositions which the City Attorney believes practically assures the obtaining by the City of all the rights and privileges which has been attempted to secure. The propositions made by the land company will become effective at such time as the city has acquired money for development work in the Canyon.

An ordinance declaring the intention of the City of Glendale to open Orange Street being presented for final reading was adopted.

The Chairman of the Board presented a comunication offering his resignation from that position.

The resignation was accepted, and Trustee F. L. Muhleman was elected President of the Board.

Adjourned.

Instead of the attendance decreasing and the meetings losing interest at the N. P. Banks Post G. A. R. semi-monthly sessions, both seem to be greatly on the increase. At the last meeting there were fifty of the eighty-eight members present. Most of the absent thirty-eight were either out of town or too feeble to attend. Considering the average age of all these "boys" being somewhere in the seventies, isn't that a remarkable record? Where is there another organization of men in Glendale that can compare with it, or can boast of as interesting meetings with as little wrangling?

Mr. and Mrs. H. J. Stadler spent Thursday in Pasadena.

Some of the "old boys in blue," members of the N. P. Banks Post, are already talking about making the trip to Columbus, Ohio, in July, to attend the National Encampment of the Grand Army of the Republic.

Rev. and Mrs. H. S. Munger have returned from a trip to San Diego.

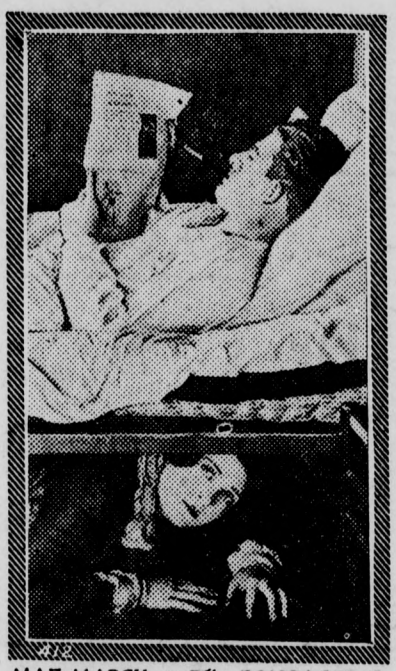
AT THE PALACE GRAND

The star of "The Girl Dodger," Charles Ray, appears again today at the Palace Grand, in his newest picture, "The Sheriff's Son." The poor fellow was just born scared. You can imagine how good Charles Ray will be in this part. On the same program is a new two-reel Vitatgraph comedy hit, "Jazz and Jailbirds," and Bray pictograph and cartoons. Children's and grown-ups' matinee at 2:30.

Tomorrow, Sunday, April 13, may be seen Tom Mix in his latest release, "Treat 'em Rough." This was scheduled abut two weeks ago, but failed to arrive, and "Hell-Roarin' Reform" was shown instead. This time the picture will be here sure, and it is one of the best ever, by the cowboy who never fakes his stunts. In this picture he bulldogs a wild steer to stop a cattle stampede, rides a horseless wagon down the mountain and crashes in the thieves' den swims a lake on horseback, etc. On the same program is a Vitagraph Comedy, featuring Montgomery and Rock in "Damsels and Dandys." It is full of clever stunts. Matinee starts at 2:30.



MAE MARSH in The BONDAGE of BARBARA - Goldwyn Pictures

"The Strange Woman," a famous stage success of modern times, is the chief attraction on Monday's bill. This is a great drama of heart interest, featuring Gladys Brockwell. A Pathe News picture is on the same program, showing late world events.

Another big hit, direct from Broadway, will appear on Tuesday, April 15. This is Norma Talmadge in "The Probation Wife." From a dance hall dive to jail, and then escape, is the beginning of this exceptional picture. On the same bill is a Christie comedy, "Know Thy Wife."

"Maggie Pepper," featuring Ethel Clayton and others, has practically the same supporting cast as "Cheating Cheaters." It is a great picture. It appears at the Palace Grand on next Wednesday, with matinee at 2:30 and evening shows at 7:15 and 9:00 o'clock.

On Thursday another most successfull screen drama is presented, "The Two Brides," featuring Lina Cavalieri. This is a dramatic picture of a story by the well-known author Alicia Ramsey. On the same program is a Smiling Bill Parsons comedy, "The Big Idea." Matinee begins at 2:30

For Friday, April 18, "The Bondage of Barbara," featuring little Mae Marsh, is the chief attraction. In this picture a girl becomes a boy, and the girl takes the blame—and Cupid fixes the penalty. Burton Holmes outdoor pictures will be shown also.
